Hola Communidad!

It has been awhile since our last issue, we were busy preparing for graduation, creating the Dedication book and graduation video, onboarding new staff, rearranging the space and more! Lot's of great changes are coming to our center. Stay Tuned!

CONGRATULATIONS CLASS OF 2022!!
WELCOME NEWEST UCD ALUMNI
MEET THE STAFF: OFFICE COORDINATOR
ROXANNE FLORES

I am a first generation, Latinx womxn born in Los Angeles, California. In 2016, I graduated from UC Davis with a B.A in Sociology and a minor in Chicano/a Studies. Soon after graduating I worked in the nonprofit sector in youth programming and development for middle and high school students. Specifically working with diverse, low-income and first generation youth. I am dedicated to empowering, mentoring, advising and supporting humans during some of their most pivotal years of development. My passion for promoting healing and decolonizing in youth development among the Latinx Community is what brought me to CCLASS. Here I hope to learn from, inspire and mentor as many UC Davis Students as I can.

Outside of work, I spent most of my time with my dog, Zuko and occasionally make time for other hobbies such as yoga, journaling, hiking, planting trees, exploring outdoors and spending quality time with people I love.

I am very excited to start this new career path and look forward to meeting you all!

I BELIEVE THE PATH TOWARDS YOUR GREATEST POTENTIAL STARTS WITH INTENTIONAL INTERNAL HEALING
We're Hiring!

Transfer Outreach Coordinator

to serve transfer, re-entry, & nontraditional students from racially underrepresented backgrounds at UC Davis

POSITION ANNOUNCEMENT

STUPSKI FOUNDATION INTERNSHIP (paid)
Duration: 8 months (October 2022-May 2023)
Location: San Francisco / Hawai‘i / Remote
Apply By: July 22, 2022

ABOUT STUPSKI FOUNDATION
Stupski Foundation is a private spend down foundation investing all of our assets by 2029 to address some of the Bay Area and Hawai‘i’s biggest challenges. Like other grantmaking foundations, Stupski provides funding and support for nonprofit institutions and organizations advancing a particular purpose. The Foundation primarily funds organizations in San Francisco and Alameda Counties and Hawai‘i that address food security, postsecondary success, early brain development, and serious illness care. We are working quickly and iteratively in collaboration with community partners to help create sustainable, lasting impact before closing our doors in 2029.

ABOUT THE OPPORTUNITY
We are looking for highly motivated and learning-oriented individuals in Hawai‘i or the Bay Area to intern with our dynamic, innovative, and growing team. Interns will be part of a small cohort model. The internship will be a unique opportunity to learn about the inner workings of a foundation and gain meaningful exposure to the philanthropic sector at large.

- Interns will work collaboratively with members of the Stupski Foundation team.
- Interns will be responsible for designing and implementing projects that support our issue area goals. At the end of the internship, interns will present project findings to the Stupski team.
- Interns will attend a Professional Development Speaker Series to build their network of professionals working in Bay Area/Hawai‘i community-based and philanthropic organizations.
